Includes practical component

What have we tried?

Over the past few years, CREST has carried out a series of projects and investigations to deliver the future of CREST exams

What is the solution?

DELIVERY

Exams hosted by Pearson VUE a global partner that delivers high-stake exams

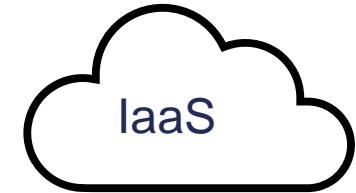

- ✓ Over 1000 test centres
- ✓ In 74 countries
- ✓ In person proctoring

INNOVATIVE OPEN BOOK DESIGN

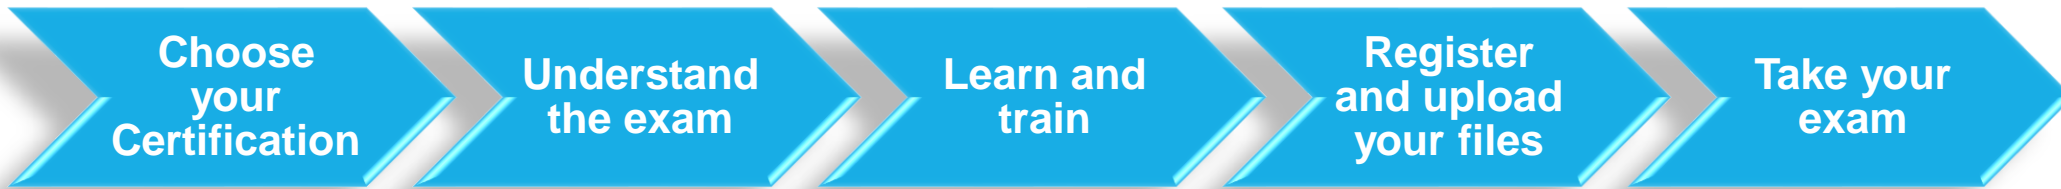

CONTENT HOSTING & DEVELOPMENT

- ✓ Globally scalable infrastructure
- ✓ On demand rigs
- ✓ Significant reduction to development effort to release updated content

“CREST are trailblazing in how they are delivering practical exams” – Pearson Vue Project Team

What does it mean for the candidate journey?

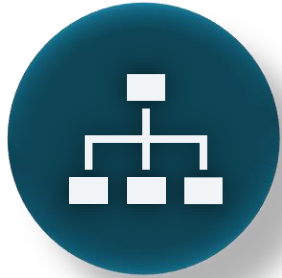

Our exams in focus

What are the changes to CRT?
