FORMAT OF CREST EXAMINATIONS

CREST Practitioner Security Analyst (CPSA) and CREST Practitioner Intrusion Analyst (CPIA) examinations

The CPSA and CPIA are written (theory) online examinations, delivered in Pearson Vue test centres. They are used to assess the theory elements of the CRT and CRIA respectively.

The CPSA examination is a pre-requisite for candidates wishing to take the CRT examination. The CPIA examination is a pre-requisite for candidates wishing to take the CRIA examination.

The CPSA and CPIA examinations are booked directly with Pearson Vue and the fee is paid directly to Pearson Vue at the time of booking.

CREST Registered Penetration Tester (CRT) and CREST Registered Intrusion Analyst (CRIA) examinations

The CRT and CRIA are multiple-choice practical only examinations that have the pre-requisite of a CPSA pass for CRT and a CPIA pass for CRIA.

All candidates wishing to qualify as a CRT must hold a valid CPSA pass. All candidates wishing to qualify as a CRIA must hold a valid CPIA pass.

The CRT and CRIA examinations are booked using the CREST examination booking form and the fee is paid to CREST.

CREST Certified Infrastructure Tester (CCT Inf), Web Applications Tester (CCT App) & Simulated Attack Specialist (CC SAS) examinations

The written and practical components of the CREST Certified level Infrastructure, Web Applications and Simulated Attack Specialist examinations are separate. The written component is delivered via Pearson Vue test centre; the practical examinations remain half day examinations delivered in a regional test centre (eg. Slough).

All CCT candidates must have a pass in the written examination in order to book the CCT practical in that examination to enable the award of a CCT qualification.

The written examination elements are booked directly with Pearson Vue and the fee for the written element is paid directly to Pearson Vue at the time of booking; the fee for the practical elements of these exams is paid to CREST on invoice and booked using the CREST examination booking form.

CREST Certified Simulated Attack Manager (CC SAM), Certified Threat Intelligence Manager (CC TIM) and Certified Incident Manager examinations

The CC SAM, CC TIM and CC IM examinations are delivered in Pearson Vue centres. They are each divided into two parts (ie. SAM1, TIM1 and IM1 and SAM2, TIM2 and IM2). For each of these examinations, Part One must be taken before Part Two and in each case, overall results will be released once both examination Parts have been taken.

The CC SAM, CC TIM and CC IM examinations are booked directly with Pearson Vue and the fee is paid directly to Pearson Vue at the time of booking.

All Other examinations

The written components of all CREST examinations will eventually be delivered at a Pearson Vue centre of choice. The practical elements of any CREST examinations will continue to be delivered at an Examination Centre.

The CREST Examination Centres are located in a number of regions globally. In the UK, the centre is in Slough, Berkshire; in the USA, the centre is in New York City. There is also a centre in Singapore and other centres will be listed on the CREST website in the near future.

DIVERSITY DATA

To help support existing and ongoing Government initiatives to improve diversity in the cyber security industry, as one of the leading certification bodies in the sector, CREST is frequently asked for diversity data.

With the industry facing a skills shortage, partly born out of the increasing demand for senior management to have excellent business skills as well as technical knowledge, recruiting more people into the cybersecurity sector is increasingly important across the globe. CREST wants to help make a tangible difference.

The data provided by you will be held in a highly secure database, fully compliant with our GDPR obligations and only accessed by a small number of approved CREST employees. Statistical data provided to Government will not reveal any personal information and will show merely numbers and percentages.

If you are willing to support our work in this area, please tick the box at each section to confirm your willingness for us to hold this specific data and then tick the boxes appropriate to you at each section. You can request that we delete this data on you at any time by emailing admin@crest-approved.org.
